

ACCESSIBILITY FOR YOUR HOME

Aritco HomeLift Access

Datasheet 2021

Aritco HomeLift Access is designed to give access to all parts of your house for both you and your family as well as your friends. Practical and smart with sizes for all needs. With an option to personalize it with details such as glass walls, a range of various colours and different materials.

Advantages offered by Aritco HomeLift Access:

- Design, sizes and options created for a home environment
- Minimum interventions in the house
- Option for a "half-height door" on the top floor
- 'A' rated energy consumption according to VDI4707
- 95% recyclable materials
- Patented screw/nut technology (no oil that can leak)
- The lowest maintenance and operating costs on the market
- Equipped with our SmartSafety system with safety features for home environments.
