

EMS Policy Statement

Scope:

The company will provide nationally the products and services of: Design, Embodiment, Installation, Servicing and Repair of Lifts and Associated Equipment and ensure that they conform to statutory and regulatory requirements and compliance obligations within their boundaries. The company has identified internal and external issues relevant to the EMS and has identified the interested parties and their requirements and will continually monitor and review their needs and issues as relevant to the EMS. The company will meet the needs of the customers' requirements and will enhance customer satisfaction through the effective application of the management system.

Regarding Environmental Requirements, we will:

- Comply with the requirements of the **Environmental Protection Act 1990**, Health and Safety at Work Etc Act 1974, Regulatory Reform (Fire Safety) Order 2005, Equality Act 2010 and all other related statutory provisions; British Standards, Approved Codes of Practice and safety guidance's as appropriate
- Monitor our use of energy, transport and natural resources with a view to reducing our impact on the environment
- Support process modifications and products that reduce pollution and waste and encourage recycling
- Work with our contractors and suppliers to promote positive environmental awareness and actions
- Assess, in advance where possible, environmental impact resulting from business operations and the environmental effects of any significant development, and adjust our plans accordingly
- Demonstrate our commitment to continual improvement by setting targets and objectives for our products and activities and review the effectiveness of these on a regular basis
- Maintain an open communication environment, whereby, all employees can actively participate in the Environmental Management System and encourage questions concerning our Environmental performance
- To communicate and provide the necessary information, instruction, supervision and training to enable all persons to fulfil their environmental duties.

This policy will be made available to our employees and those working on our behalf and be provided upon request to any other interested parties.

Directors: Garry Price Trevor Binger Darren Clayden Nick Taylor
